

Fishbeam Software Releases Fishbeam Clips

Today, Fishbeam Software releases Fishbeam Clips, the large clip art gallery with royalty free clips. The Goldfish Clips library contains all in all more than 700 photo clips, backgrounds and styles for the visitor counter. Unleash your creativity and design your web sites, e-mails, greeting cards, letters and other printings with Fishbeam Clips. Goldfish Clips is available for purchase at <http://www.fishbeam.com> from \$ 24.

About Fishbeam Clips

- All in all over 700 beautiful shapes, perfectly masked photo clips, gorgeous backgrounds and styles for the Goldfish visitor counter.
- Fishbeam Clips are delivered with a handy application that displays all available clips. From there you can easily export the clips to other applications with drag and drop.
- Find clips with the integrated keyword live search.
- All clips are royalty-free for non commercial and commercial projects and provided as .png, .jpg or .gif files.
- The clips are perfect for designing your web sites, e-mails, greeting cards, letters and other printings.
- The clips library fits perfectly with Goldfish and is accessible through the Goldfish user interface.
- Fishbeam Clips are an excellent value for the money. They're much cheaper than images from a conventional stock photo agency.

About Goldfish 3

Goldfish 3 is a website creation tool, which runs on Macintosh and Windows. Users can build their website in a few simple steps with drag and drop. There are many beautiful designs available for beginners. Professionals can create the layout for their website without programming skills. Goldfish is free to try and free for download.
